

**INVITATION to THE OPENING &
LIFE SCIENCE EXCHANGE WEBINAR
(3rd China-Belgium Science and Technology Exchange
Symposium)**

Brussels – Shenzhen – Wuhan - Beijing
29/10/2021

中国比利时建交50周年
Belgium – China 50 Years

The 3rd *China-Belgium Science and Technology Exchange Symposium* hosted by the Association of Chinese Professionals in Belgium (ACPB) and the China Belgium Technology Center (CBTC) will be held in Brussels, Shenzhen, Wuhan and Beijing (offline in China and online in Belgium) during October 29-30, 2021. This year also marks the establishment of 50 years diplomatic relations between China and Belgium.

CBTC invite you to participate in the “Opening and Life Science Exchange Webinar “on October 29th- 9:00 am to 11:55 am.

The webinar will allow participants to hear the experiences of Belgian Life Science companies that have developed in China, and Chinese Life Science companies that have developed in Europe: their technology, their international strategy, their success story, the obstacles and their advices.

It is also an opportunity to get to know the consultancy services to help the development of European companies in China (EU SME CENTER and CBTC) and Chinese companies in Europe (CBTC).

If you have any further inquiries, feel free to reach us via: cbtc-office@uieurope.com

Please complete the registration form below to receive zoom links for the event.
